

ZenCart ACH Plugin Installation Guide

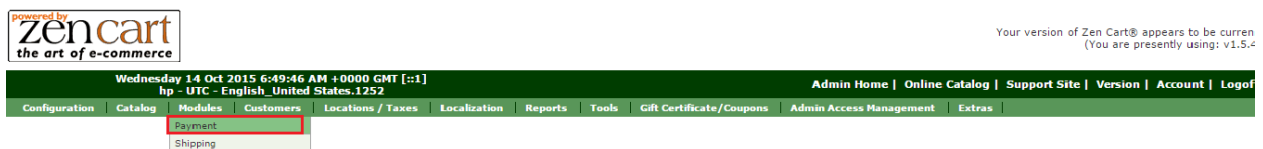

- 1) Extract the Plug-in File.
- 2) Copy, Paste and Replace the sub folder each by each of "includes" of your Zen Cart web store.
- 3) Log-in with your Zen Cart admin panel.

The image shows the ZenCart Admin Login page. It has a title 'Admin Login' in the top right. The form contains two input fields: 'Admin Username:' with the value 'admin' and 'Admin Password:' with masked characters '*****'. Below these fields is a 'Login' button. To the right of the 'Login' button is a link 'Forgot Password'.

Please be aware that after 15 minutes of inactivity, you will be required to login again.

Note: All passwords expire after 90 days, at which time you will be prompted for a new password.

- 4) Click "Modules->Payments" at the top menu.

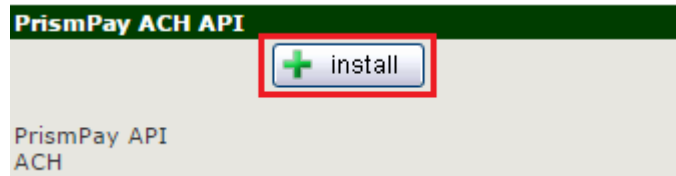

- 5) Browse for PrismPay ACH API and click on it.
